United States District Court  
Eastern District of Michigan  
Southern Division

MAR 27 2024

CLERK'S OFFICE  
DETROIT

Eric Martin,  
Plaintiff,

No. 23-12741

v.

Ryan Lass, et al.,  
Defendants.

Hon. George  
Caram Steek

Plaintiff's Second Objections  
As To The Orders On  
Filing Fees

all of the so-called  
orders entered in this case  
as to the attempted extortion  
filing fees basically allege I  
am required to pay the  
filing fees. That's false and  
isn't supported by sufficient  
evidence that I am liable,  
in violation of my due  
Process Right of The U.S.  
Constitution.

Also, 28 U.S.C. § 1914 is this Court's supposed basis alleging I am liable to pay the filing fee to have my lawsuit acted on.

Congress is the one that makes federal statutes and Article IV sec. 3 states -

The Congress shall have Power to dispose of and make all needful Rules and Regulations respecting the Territory or other Property belonging to the United States

I am not property of the United States but am one of The Sovereign People and any fraudulent presumptions that I was, are, property of the U.S. is fraudulent and cannot be legitimately relied on. I am solely God's property.

Therefore, I am not liable under 28 U.S.C. 1914, and Demand the reversal of all the

orders that fraudulently held  
i am liable.

Sincerely,

3-19-24

Dated

Eric Martin
